our officers, led on the next page.

Our plans for the year include our annual Business of History of Human Science meeting, which is again sponsored by the Forum and the journal. The meeting will be held on Friday, November 8, 5:30-7, in the Forum meeting in Milwaukee. Our business meeting will include the election of officers and approval of the budget. The Forum newsletter will meet twice each year to discuss the current trends in human science and to plan for future publications.

Conference on the History of Medicine, University of Washington, June 27-29, 2002.

Call for Submissions:

2003 John C. Bingham Eary Career Award

The Forum for History of Human Science announces the competition for the 2003 John C. Bingham Early Career Award. The award is given to an individual who has made significant contributions to the field of the history of human science, particularly in the area of human behavior. The award acknowledges outstanding research and advances in the field of human science.

The Forum for History of Human Science invites nominations for the John C. Bingham Early Career Award. The award is open to individuals who have made significant contributions to the field of the history of human science, particularly in the area of human behavior.

Nominations should be submitted to the Forum for History of Human Science by February 1, 2003. The award will be announced at the annual meeting of the Forum for History of Human Science, to be held in Chicago, IL, on April 18-20, 2003.
